

Governance 10: Cash-in-lieu Assessment Criteria

1. Purpose

The purpose of this policy is to ensure consistency, equity and transparency across the City's approval process for all cash-in-lieu applications.

2. Policy Statement

Community applications seeking cash-in-lieu funds to develop facilities should demonstrate the following principles:

- (a) Alignment with the City's Strategic Plan.
- (b) Be in accordance with the Western Australian Planning Commission's Policy DC 2.3 acceptable uses for expenditure.
- (c) Sound financial management.
- (d) Viability of the project.
- (e) Significant community benefit, specifically within the area in which the cash-in-lieu funds have been derived from.
- (f) Demonstrate a direct link to improved community access and inclusion.
- (g) Justification for the proposed project.
- (h) Alternatives considered.
- (i) Multi-functionality.
- (j) Project budget, including quotations.
