

Governance 2: Council Meeting Structure and Community Participation

1. Purpose

The purpose of the policy is to:

- Confirm the City's statutory obligations relating to Council meetings.
- Encourage transparency and community involvement in Council decision making forums, where practicable.

2. Policy

The Council is committed to being open, transparent and accountable in meeting its community obligation of providing good governance to the community of Kalamunda.

The Council values and encourages the participation of the community in its decision-making process and to meet this objective it has adopted a meeting structure comprising:

- (a) Public Agenda Briefing Sessions
- (b) Council Meetings
- (c) Standing Committee of Council - Audit and Risk Committee and Chief Executive Officer Performance Review Committee
- (d) Advisory Committees
- (e) Management Committees.

3. Public Agenda Briefing Sessions

The purpose of the Public Agenda Briefing Session is to provide an opportunity for the Community and Councillors to receive details on the reports that will be presented to the next Ordinary Council Meeting for decision.

This is an opportunity for Community and Councillors to ask questions of the City's administration about reports. Members of the Community can also make deputations, however, there are no decisions or debating to occur at this session as it is informational in nature.

4. Council Meetings

Council meetings are formal meetings of the Elected Members, as a decision-making body as defined under the Act. Generally, the meetings are open to the public, although there are situations where a meeting can be closed under specific provisions of the Act.

5. Standing Committees of Council

Due to the wide range of activities and functions of the Council, the Council will sometimes use Standing Committees. These Committees report to the Council and are subject to the requirements of the Act. These meetings are open to the public, unless the meeting is closed under specific provisions of the Act.

6. Advisory Committees

Advisory (and Management) Committees provide a vehicle for facilitating and improving community input and participation in the City's decision-making processes. Advisory Committees also assist in facilitating greater community consultation in accordance with the Act.

These committees may comprise Elected Members, community members and staff, and are resourced by the City.

Committees are able to make recommendations to the Council as part of the advisory process.

The CEO, as part of their role in advising Council, will ensure the Council also receives professional advice on the recommendations of the Advisory Committee, which may include alternative recommendations to the Advisory Committee.
