ITEMS NOT ACCEPTED IN GENERAL WASTE & RECYCLING BINS:

Household Hazardous Waste

There are many household wastes and recyclable items that cannot be placed in either your General Waste Bin or your Recycling Bin.

Household Hazardous Waste items including aerosol cans and batteries cause fires in collection vehicles and materials sorting facilities, and therefore must not be placed in either of your kerbside bins. For more details see page 4.

4 Household Hazardous Waste (HHW) Disposal

There are a number of HHW items which **must not** be placed in your bins. These HHW items can be taken to any permanent HHW facility such as Red Hill Waste Management Facility. It is **free of charge** to take 20kg/20L per material type. Please refer to the table below for some of the HHW item(s) that can be disposed of at each facility.

For a full list of HHW locations and more information visit: wastenet.net.au/hhw or alternatively view the A-Z recycling guide available at recycleright.wa.gov.au

There are **GREAT** sorts in every Kalamunda street who put **60% less** into their landfill bin

In fact we can all become **GREAT** sorts just by remembering

G is for gifting reusable things to charity swapping or selling

R is for recycling only these five things—Paper, cardboard, plastic, glass and cans

E is for earth cycling food scraps and garden waste into compost

A is for avoiding excess packaging and disposables

T is for taking batteries, e-waste and chemicals to special drop off points

It's about doing better than the bin and treating landfill as the very last resort

Be a **GREAT sort**

The skip bin service is an on-demand service. Residents can select from either a general waste bin (blue) or green waste bin (green). Households are entitled to any combination of three skip bins per financial year (excludes commercial & industrial premises). Both the general & green waste skip bins are 3 cubic metres.

Phone Cleanaway on 9449 3332 or book online kalamunda.wa.gov.au/waste

Households that meet the following criteria are entitled to additional green waste bin(s) only, to assist with bush fire management.

- » One additional green waste bin is available for properties 2000m² – 5000m²
- » Two additional green waste bins are available for properties over 5000m²

Please remember

- » Skip bins are placed to the left of the driveway
- » Bins must remain where they are placed
- » Keep the area clear so the Cleanaway driver can easily remove the bin
- » Bins may be delivered full but will be emptied by 6pm at the latest the same day
- » If a bin needs to be emptied by the city of Kalamunda due to misuse, the resident will be responsible for all costs incurred

Ordering a Skip Bin

The City has developed an online booking system allowing residents to register details, book days in advance and view allocations.

Book online via the city's website kalamunda.wa.gov.au/waste.

Please note: book early as skip bins are very popular.

Green waste collected from the Green Waste skip bins is mulched & re-used, reducing the amount of waste sent to landfill. Please keep green waste free of contamination.
